CAEM produce arredamento per negozi con vari sistemi e tipologie: la tabella riporta nelle righe le varie applicazioni Retail e Lifestyle, nelle colonne i Sistemi d'arredo suggeriti. CAEM produce scaffalature particolarmente adeguate agli ambienti food. Il sistema modulare TN9 System è indicato per i negozi di prossimità mentre TFive passo 25 mm per ipermercati e supermercati. / CAEM manufactures several shopfitting systems: the table's lines are the retail environments' applications whilst columns show the suggested systems. CAEM manufactures very flexible shelving for the food retailing. The modular TN9 System is recommended for convenience and proximity stores, whilst TFive 25 mm pitch shelving for hypers and supermarkets.
