

# Food Pharmacies Convenience

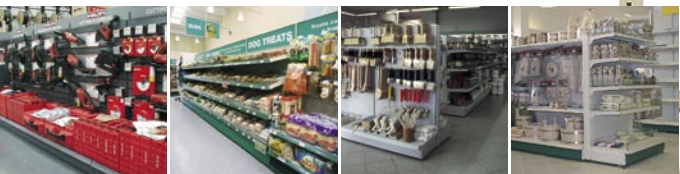

**Consumer  
Electronics**

## Bookstores & Magazines

**DIY&BRICO**

INFINITY our new fashion system! The key element that all fashion outlets strive to achieve is flexibility within their store. As space can often be limited it means that maximisation of the retail area is of paramount importance. CAEM's modularisation will ensure optimum performance from the merchandising space available, therefore increasing sales and delivering a return on your investment.
