CAEM produce arredamento per negozi con vari sistemi e tipologie: la tabella riporta nelle righe le varie applicazioni Retail e Lifestyle, nelle colonne i Sistemi d'arredo suggeriti. La vasta gamma di accessori CAEM permette la realizzazione di arredamento completi anche nei complessi ambienti di ferramenta. I sistemi piu robusti garantiscono completamento nei magazzini, nei garden e nelle celle frigo. / CAEM manufactures several shopfitting systems: the tables lines are the retail environments applications whilst columns show the suggested systems. The wide range of CAEM accessories deliver complete and professional DIY environments. The more robust systems are required for warehouse, the weather protected finished for open air merchandising and cold rooms.
